**COVID 19 FOOD RELIEF DISTRIBUTION REPORT**

**DATE: 30<sup>TH</sup> OCTOBER 2020**

**Compiled by: Kusemererwa Rosemary**

## **Introduction**

Covid 19 pandemic continues to cause uncertainty among both privileged and under privileged households in both rural and urban settings. People have lost their source of livelihood consequently getting a meal on the table is next to impossible for some bread winners who before Covid 19 would provide for their families with ease. In response to this, Kabarole District Local Government donated 500kgs of maize flour to be given to affected households. Yawe identified those affected and delivered to them house to house. Each household received 5kgs and a total of 100 households benefited.

## **Discussion**

On 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> October Yawe distributed food to identified households around Kabarole and Bunyangabu Districts. The targeted households were those whose bread winner had lost an income due covid 19. Many of them had lost jobs, businesses and all kinds of livelihood sources. Among them were market vendors, shopkeepers, school workers, casual labors etc.

The methodology used to give out food was house to house / door to door delivery model where Yawe staff drove to some homes and rode to others and even walked to those where the roads were impassable.

The overall objective was to support affected households struggling to get food due to covid19 pandemic.

## **Conclusion**

The activity was successful with all the targeted households reached and all the beneficiaries were very grateful to both the district and Yawe Foundation for supporting them with food during the pandemic.

## **Challenges**

The food was limited hence living out other affected households.

Due to rainy season some roads were impassable hence delaying the delivery process.

## Recommendations

More food relief be mobilized because the package was little compared to the household sizes and still many more others struggling to get food were left out.

## Annexes

Pictures of some beneficiaries

*Joan (left) who is a private primary school teacher and Deo (right) were among the 100 beneficiaries*

*Surea, (left) a market vendor and Banura (right) were among those who received food relief*

*Monica (left) a caregiver at a private school and Margret (right) also benefited*
