## VOCATIONAL TRAINING REPORT.

During the month of December, vocational students had to sit for the DIT exams as their course for 6month was coming to an end, 24 students had to sit for the exams respectively as shown in the table below.

Trade	No of students	level
Tailoring	6	Modular
Knitting	6	Modular
Saloon	9	Modular
Tailoring	3	Workers PAS
<b>Total</b>	<b>24</b>	

During the time for examination, students were committed and were very prepared for the exams in terms of time management, well set with the materials to use and very cooperative with the examiners.

Some students who had not clasped the skills or still needs teachers guidance were encouraged to come back mid January of 2021 and continuo with the course as they get what is missing out of them. Later Students were dismissed to go for holidays and protect themselves from covide 19 and other STIs.

### Exams went on as follow:

1. Knitting students were asked to make school sweater
2. Tailoring students were asked to make dress
3. Hair dressing student's were asked to make samba twist

### Challenges

- Few machines compared to the students who were doing the exams.
- Late coming of some students for the exams
- Inadequate spaces as students were doing the exams.
- Mechanical problems with other tailoring machines
- Lack of cooperation between some teachers with the examiners.

### WAYFORWARD

- To lobby/ purchase for more tailoring and knitting machines.
- To repair the broken tailoring machines immediately.
- To encourage students to always respect time.
- To prepare according by finding provisional space for students during exam times
